

# Royal Sweden 40", 46", 55"

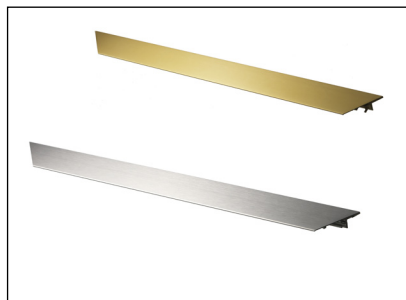

THE NON COMPROMISE TV FOR THE IMAGE CONNOISSEUR

For those who always appreciate and choose the best, we have developed Royal Sweden. Hand built by us in Stenungsund, of finest brushed aluminium and with stunning picture quality that makes it the Custom Installers first choice.

- + Ultra slim 40", 46" or 55" LED-TV
- + Striking design in brushed aluminium
- + Built in DVB-T receiver
- + Professional calibration - Exceptional picture quality
- + Control protocol for RS-232
- + External Swedish sound from Audio Pro
- + IR-link and discrete IR codes
- + Aluminum colors: Black and Silver
- + Special colors by order: Any by choice (see picture)

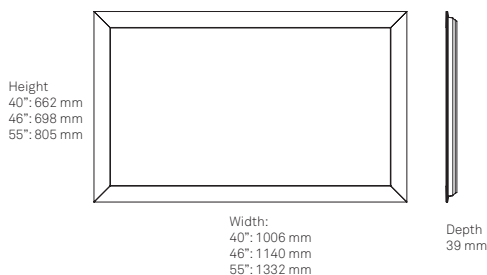

With Swedish handicraft in every detail - from the elaborate design, to the high performing components, to the actual assembly by our skilled engineers - Royal Sweden keeps its promises. The ultra thin Backlight Edge LED panel with sparkling and vivid colors, combined with the latest integrated picture processing technology vouches for an unprecedented viewing experience, and together with the striking exterior a TV classic is born. Whats the secret? In all its complexity, it is actually very simple. Where others cut cost, we add quality. Everything can be summed up in two simple words: No Compromises. This is not a usual TV. This is Royal Sweden.

## Dimensions

## Guaranteed Swedish handicraft

We at People of Lava in Stenungsund choose the best components available and assemble them carefully with the goal to produce a TV far beyond the ordinary. We are proud of our handicraft and put attention and soul into each TV, which of course is carefully tested before it reaches you. We can guarantee a TV that withstands both the test of time and scrutiny of perfect detail. This is what we call Swedish quality!
